# STUDENTS SAY...

"I'm grateful to ProJeCt of Easton for giving me the opportunity to pursue my personal, professional, and educational goals. The amount of support that the staff gives is truly a blessing. I'm interested in pursuing a career in marketing. I've learned that once you get your GED® you don't stop, you keep going. I can and I will succeed."

"When I learned about ProJeCt, I was excited because I could study English and there was a preschool program for children. They helped me become a US citizen, and complete the English as a Second Language Program. Now I am in the GED® class. My new goal is to go to college. I'm thankful for ProJeCt for giving me and my daughter the opportunity to change our lives."
